

GSHS & GSUSA MY20 VOLUNTEER AWARDS

Each year, Girl Scouts Heart of the South is proud to honor the important contributions of our Girl Scout volunteers through the presentation of council-level and national-level awards and recognitions. While we strive every year to present these awards publicly and in-person - giving the honorees the recognition and ceremony to which their hard work is due - unfortunately, the unprecedented challenges forced upon us all by COVID-19 made that impossible this year.

In an effort to ensure that all of our amazing award winners were able to see "their name in lights," GSHS created a series of video presentations to announce the accomplishments of these outstanding volunteers. These presentations aired on the GSHS Facebook page during September and October, 2020. To learn more about these awards and this year's recipients, we invite you to view the full playlist of these videos on our YouTube channel at [youtube.com/girlscoutshs](https://www.youtube.com/girlscoutshs).

Volunteers are truly the heart of our movement, and without their dedication and hard work, our impact as an organization would be diminished. Their efforts allow us to excel as the premier leadership organization for girls! Join us in honoring these outstanding volunteers who have been instrumental in helping to further Girl Scouts' mission to build girls of courage, confidence, and character throughout our communities!
Congratulations and THANK YOU to all of these amazing honorees!
