Tucked away on 310 beautiful acres, Camp Tik-A-Witha is an outdoor enthusiast's dream. Adjacent to the Tombigbee National Forest, we're just 30 minutes south of Tupelo, MS, 123 miles south of Memphis, TN, and 127 miles south of Jackson, TN — centrally located and designed to bring kids, and adults alike, together to make memories for a lifetime.

Tik-A-Witha features a 20-acre lake with water inflatables, a swimming pool with slides and diving board, a challenge course, rock climbing tower, archery field, crafts hut, and playground. During the summer, campers can enjoy the large water inflatable in the lake.

The main camp area includes our in-ground swimming pool, the Infirmary, Trading Post, playground, and the Becky Cook Hall. Becky Cook Hall features a commercial kitchen, large stone fireplace, and is climate-controlled.

The camp is divided into nine main camp units which offer lodges, cabins, screened-in tents, and shower houses. Three of the units are climate-controlled, offering a more comfortable environment for younger girls. All units are located a short distance from the main camp area.

Camp Tik-A-Witha is accredited by the American Camp Association (ACA)! This means that we undergo a thorough review of 300+ operational standards — from staff training and qualifications to emergency management by the ACA.

The ACA collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to ensure that current practices at our camp reflect the most up-to-date, research-based standards in camp operation.

Camp registration opens online on Monday, February 5th, 2024 at 10 a.m. at [www.girlscoutshs.org/summercamp](http://www.girlscoutshs.org/summercamp).

Give back and grow this summer by attending the Let's All Play Session. For over 40 years, Girl Scouts Heart of the South has hosted the Elizabeth Gwin Special Session, an inspiring resident camp program that allows children with special needs to experience and explore their capabilities in the great outdoors.

This session is staffed with well-qualified, experienced adults who provide challenging, safe and fun opportunities to each camper that are adapted to meet individual's needs and are designed to help them grow, be creative and have fun.

The Let's All Play session is open to girls and boys entering grades 6th-12th who are interested in learning, inclusion experiences, having fun and meeting new friends at camp. Pairing Elizabeth Gwin campers with campers from Let's All Play creates a special friendship that benefits both children.

An application and essay are required and will help our committee determine the skills and leadership level before selecting any and all participants.
